

How are we going to make our school even better?

School Improvement Plan for Pupils 2020/2021

Yellow House Priority:

Theme 2

How Good is OUR school?

We are developing skills and attitudes that support us to take responsibility for aspects of our own learning

Our learning is supporting us to increase our digital skills; we have access to a range of modern digital technology which we use in our learning

Blue House Priority:

Theme 1

How Good is OUR school?

No-one in our school feels discriminated against because of their age, gender, ethnicity, religious belief or disability.

Our school is welcoming and everyone feels that they belong here. All pupils have opportunities to make friends and feel part

Green House Priority:

Theme 4

How Good is OUR school?

Our learning about health and wellbeing takes account of where we live and what problems and challenges we face within our community. The learning is relevant for children and young people at each different stage.

Our learning is helping us to develop skills to meet challenges and manage change. We are learning how to cope when we have a difficult time and understand that with the right support it may be possible to move on and be happier in the future.

Red House Priority:

Theme 5

How Good is OUR school?

We understand the importance of sustainability. We actively support this through recycling a wide range of materials. We do our best to reduce waste and encourage active travel to school.

We are aware of the types of skills needed for different jobs in the future. We know why these are important and we get opportunities to apply these skills in different ways.

How will you have your say and improve St Andrew's?
