

# Our Environmental Review

## What did we find?

**LITTER AND WASTE**

Not enough litter pickers

Bins in the wrong place

**WATER**

New water fountains

Good use of water saving devices on taps and toilets

Learning and Teaching about the water cycle and the importance of water is strong

**TRANSPORT**

No travel plan

Lack of bike parking

Curricular Work

Use public transport for school trips

**CLIMATE ACTION**

Unsure of carbon footprint

No food grown on school grounds

**HEALTH AND WELLBEING**

Lots of litter on the hill

Automatic lights control

Plugs off!

Automatic door closers

New Windows and blinds

We want more access to the local wild spaces on the Hill

Update Bully Prevention
